## Task 3

**Interviewer:**

What is your favourite food?

Why do you like it so much?

Can you cook it?

40 sec

**Student:**

I should say that my favourite food is pasta.

This is because I am fond of Italian cuisine.

Two years ago my mum taught me how to cook it and now I can cook it myself.

## Task 3

**Interviewer:**  
Have your food preferences  
changed over time?  
Why or why not?

<http://smashtrash.org>

40 sec

**Student:**

Actually, my food preferences have changed over time. It happened after my parents and I had visited some Italian restaurants. Italian dishes are very tasty and easy to cook that's why I cannot imagine my life without them now.

## Task 3

**Interviewer:**

Do you think your favourite food is healthy?

Is there any unhealthy food that you like?

<http://smashtrash.org>

40 sec

**Student:**

To tell the truth, I don't think my favourite food is healthy. So, I always have to count calories while eating pasta. Also, I like different kinds of pizza with high-calorie toppings.

## Task 3

**Interviewer:**

How often do you eat your favourite food?

Would you like to eat it more often?

40 sec

**Student:**

You know, I eat my favourite food once a week.

As a rule, my mum and I cook pasta together at weekends.

I don't think it's a good idea to eat it more often.

## Task 3

**Interviewer:**  
Is there any food you dislike?  
If yes, why do you dislike it?

<http://smashtrash.org>

40 sec

**Student:**

To be honest, I don't enjoy eating soup.

I dislike it because my parents made me eat soup every day when I was a little kid.

And you know, I always felt very unhappy about that ...
